Ald. Jim Kaplan, Chairman
Public Works and Services Committee
Racine, WI

Dear Ald. Kaplan:

I am requesting that formal bidding procedures be waived for the replacement of existing SECVT interfaces to the Metasys systems at the MLK Center, Chavez Center, Mound Cemetery and Memorial Hall.

The intent of this interface replacement is to provide better control services for these sites. Since Johnson Controls is the sole provider of these needed devices, I am requesting that formal bidding procedures be waived and that the City enter into these Metasys Control upgrades with Johnson Controls, Inc.

Funding to defray the cost of these service changes is available as follows:

\$ 5,610.00 – Org, Object 60623-57200, MH VFD Replacement
\$14,760.00 – Org, Object 70240-57300, Building Improvements
\$20,370.00 – Total

Sincerely,

Thomas M. Eeg, P.E.
Assistant Commissioner of Public Works/Operations
