Good Afternoon Nancy,

Our event is a little different this year and I have different dates for you. We will be staging for our event in Racine at Pershing Park starting on Sunday May 12 to Thursday May 16th. Our actual event will take place on Friday May 17th to May 18th. The other change from last year is that the race is now called Ragnar Great Midwest and not Chicago anymore. Please let me know if there's anything else you require from us at this time.

Thank you,

Troy Wheeler | Senior Race Director
