**EXCUSED:** 2 - Richard Jones and Thomas Christensen

#### Approval of Minutes for the October 16, 2006 Meeting

#### New Business

1. [06-2647](#) **Subject:** Communication from the Alderman of the 3rd District and Earl Hanson requesting a "No Parking" sign be installed by the driveway of Gales Corporation, 1514 Owen Avenue.

**Recommendation:** The communication be received and filed.

**Fiscal Note:** N/A

*Earl Hanson appeared before the Commission asking that a No Parking sign be moved to the north of his business driveway to prevent vehicles from parking and causing difficulty for trucks entering and exiting the driveway. He also asked that the No Parking restriction across the street be removed as it was no longer needed. He noted it was required when their business was across the street from the current location.*

*Scott Letteney indicated since the parking restriction asked to be removed is not on the agenda, it should not be considered at this time.*

*John Rooney noted since the existing length of the parking ordinance covered Mr. Hanson's request, the sign could be moved in the field with no Commission action, and the item could be received and filed.*

*After further discussion, a motion was made by French, seconded by Letteney to receive and file the communication.*

**Recommended to be Received and Filed**

#### Next Meeting Date

*If there is no pressing Traffic Commission business for December, the meeting will be*

*cancelled. Members will be notified.*
