Legistar Item: 0042-18

To: Alderman Terry McCarthy, Chairman
Public Works and Services Committee

From: John Rooney 
Assistant Commissioner of Public Works/City Engineer

Re: City of Racine's Non-Participating Cost for State Project ID: 2440-12-60, Washington Avenue – West Blvd. to Marquette St.

This item pertains to a letter we received from WisDOT, dated January 4, 2018, indicating that our share of non-participating items on the Washington Avenue/West Boulevard/Marquette Street project need to be paid for by the City.

The City of Racine has funding available in the various storm water, sanitary sewer maintenance and City paving CIP budgets in 2018 to pay for these non-participating costs. Our share of the construction costs is estimated at \$175,766.00.

If the Committee agrees, the appropriate action would be to authorize the City Engineer to pay WisDOT for these non-participating costs associated with this project.

Dear Ms. Shaffer:

We would like to request that the Wisconsin Department of Transportation incorporate construction work on behalf of the City of Racine into the contract documents for the above noted construction project.

Specifically, the work we would like to incorporate in the contract document is sanitary sewer work and colored stamped concrete, per the attached.

We understand that this work will be incorporated into the contract as a non-participating item and that the cost shall be the responsibility of the City of Racine. We further understand that we will be billed for all work associated with this item, including installation, labor, materials and DOT oversight performed on our behalf under the DOT construction contract.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. Rooney", is written over a faint, larger version of the same signature.

John C. Rooney,
Assistant Commissioner of Public Works/City Engineer

Dear Mr. Rooney:

SUBJECT: I.D. 2440-12-60
Washington Ave.
West Blvd. to Marquette Street
Racine County

The above construction project is scheduled for a February 13, 2018 bid letting at an engineering estimated cost of \$1,515,233.19 including 15% for construction engineering. This estimate is confidential and should not be disclosed to potential bidders prior to bid opening. The project was authorized to incur costs effective October 16, 2017.

Based on the engineering estimate and the "Project Agreement", your share of the construction cost will be approximately \$175,766.00.

Unless we hear otherwise from you, we will proceed with the contract administration process of receiving bids and awarding a contract to the low bidder. If you have any questions, please contact Project Manager Vida Shaffer at (262) 548-6766.

Sincerely,

Kathy Bender
Transportation Program Coordinator
