Re: Preliminary resolution for paving assessable alleys

Ald. Horton recommends the introduction of the preliminary resolution for paving the alley bounded by:

Charles Street and 8<sup>th</sup> Avenue and South Street and Shoreland Drive.

Ald. Tate recommends the introduction of the preliminary resolution for paving the alley bounded by:

12<sup>th</sup> Street and 13<sup>th</sup> Street and South Memorial Drive and Terrace Avenue.

**Fiscal Note:** These are assessable city projects; all costs will be paid by the abutting property.

If the Committee agrees, the appropriate action would be to approve the preliminary resolution to start the assessable process of a Public Hearing for the streets listed above.
