Asst. Comm. of Public Works/Engineering

July 28, 2009

Ald. Gregory Holding  
Chairman, Public Works  
And Services Committee  
Racine, Wisconsin

Dear Ald. Holding

We are requesting authorization to submit Focus on Energy Grant Applications for the replacement of light fixtures at various sites with more energy efficient LED lighting and for a building insulation project at the solid waste garage.

With the exception of the McMynn Ramp Lighting and the Solid Waste Garage Insulation, these project are all funded through the Federal Stimulus Program with the intent of this grant funding to cover additional locations for LED lighting.

Sincerely,

Thomas M. Eeg  
Asst. Comm. of Public Works/Operations
