Subject: KRM event at Racine's train station

Dear Mr. Jones,

Transit NOW, RAMAC, The Racine County Economic Development Corporation, Sustainable Racine and the Hispanic Roundtable would like to host a KRM event at Racine's train station.

This community event will take place on December 7th from 4:30 - 6:30 pm. The purpose of this event is to educate key constituencies about the results of the Environmental Impact Study and the impending timelines where public input is critical.

Please let us know if Racine's train station is available for this event. Please call with any questions. Thank you for this consideration. Rosemary Potter
