Alderman Jim Kaplan, Chairman  
Public Works and Services Committee  
Racine, WI

Re: Contract 45-14 (K4-045)  
PS – Festival Hall Colonnade Roof Replacement  
Industrial Roofing Services, Inc., Consultant

Dear Ald. Kaplan:

We have received a Professional Services Agreement from Industrial Roofing Services, Inc. for the analysis, design and project administration of the Festival Hall Colonnade Roof Replacement.

The estimated cost of this roof replacement is \$200,000 and sufficient funding exists in other roof replacement accounts to fund this project. This needs to be referred to the Finance and Personnel Committee to create the appropriate account number for this project.

Sincerely,

Thomas M. Eeg  
Assistant Commissioner of Public Works/Operations
