Dear Public Safety and Licensing Committee,

I am writing to provide a character reference and professional support for Brikdelys Deleon, in her application for a bartender license. Brikdelys is currently employed at Taste of Soul Bar & Grill, where she has demonstrated exceptional professionalism, reliability, and dedication to her role.

While Brikdelys has a prior conviction, I believe this does not reflect her current character or capabilities. Since joining our team, she has shown significant personal growth, accountability, and a strong commitment to maintaining a positive and responsible work environment.

Her work ethic, interpersonal skills, and ability to handle responsibilities with integrity make her an asset to our establishment. I am confident in her ability to represent the values required for this license and to serve our community responsibly.

Thank you for considering this letter in support of Brikdely's application. I am happy to provide any additional information if needed.

Sincerely,

Rebecca McCray
