Dear Members:

My name is Craig Shaub, principal of Dig-it all Sign Company LLC; a fully insured, licensed and bonded custom sign shop of Southeast Wisconsin.

I am submitting a Sign Permit Application and Release of Liability for review with respective supporting documents on behalf of our client Shiekh Umar, proprietor of Kabab & Grill Restaurant. Project scope in summary encompasses the manufacturing and installation of a double-sided, NON-illuminated sign having vinyl graphics. The sign is proposed to be projection mounted onto the North-West corner of building of the West elevation façade.

Pertinent documents included with application are the sign and mounting bracket schematics and superimposed graphics of the aforementioned sign and location to illustrate final product.

Please feel free to contact me with any questions or concerns that you might have with regard to this application or my License and Bond documentation. Thank You!

Best regards,

Craig R Shaub
