Public Works and Services Committee

FROM: John Rooney  
Asst. Commissioner of Public Works/Engineering

RE: Amendment No. 1, Three-Party Design Engineering Services for Northwestern Avenue, Strand Associates, consultant

We have received Amendment No 1 to the three-party agreement from Strand Associates for preparing plans and specifications for the reconstruction of Northwestern Avenue from Golf Avenue to Rapids Drive, State ID: 2290-11-00.

The amendment is for additional work required such as, design of the preferred alternative (lane width reduction of auxiliary lanes), develop lighting plans to relocate existing lighting poles; create storm sewer plans to relocate existing inlets; and, prepare plans to relocate to overhead pedestrian crossing warning signs. The amendment is in the amount of \$19,744.73, with the City's share being \$4,936.18, with the State picking up the \$14,808.55. Funding is available in 988.908.5030, Northwestern – Golf to City Limits.

If the Committee agrees with the proposal, appropriate action would be to approve the amendment and authorize the Mayor and City Clerk to enter into the agreement.
