Sabrina's

- 9/2/2006 On 09-02-06 at 12:23 A.M., the Racine Police SWAT team executed a "No Knock" search warrant at Sabrina's, 1436 Junction Avenue. The Racine Police Gang Unit developed reliable information that controlled substances were being sold inside Sabrina's Bar. Specifically, the target selling the controlled substances was said to be George Owens, and that he had an armed guard at the front door and behind the bar. The valid "No-Knock" search warrant was obtained and executed on 1436 Junction Avenue, which included the bar and upper apartment. Upon executing the search warrant, members of the SWAT team observed Aaron D. Samuels, dropping a gun and drugs into a trash can while SWAT was making entry. Samuels was subsequently

arrested. The Racine Police Gange Unit recovered in excess of 25 grams of Marijuana, 2 handguns and in exces of \$300.00 in U.S. Currency. The owner, George D. Owens, was present during the execution of the search warrant, and when the 2 guns and drugs were in his bar. When officers released the bar back to Owens, he stated that he was tending bar and that his girlfriend owned the bar. No contraband was located on Owens' person. There were six (6) individuals arrensted as a result of the search warrant, and over 20 people in the bar at the time the search warrant was executed.

6/23/2006 Laws reported that he had been inside Sabrina's and stepped outside to have a cigarette and go to his car. A black male walked past, turned and began shooting. Laws turned and ran inside the bar. Once inside, he noticed that he was bleeding and told his cousin, Prentis W. Hollimon. Bar personnel refused to call police and patrons began to run out of the bar. Hollimon and Laws exited the rear door and Hollimon called police from this cell phone. At lthe same time, he observed an officer on another call and flagged him down. Laws did give a rather detailed description of the shooter. When the oficer was providing aid to Laws, he did observe two (:2) black males run from the rear of the bar to Ann Stret and enter a waiting vehicle. The vehicle was not located by other responding officers. Laws was transported by RFD Rescue to SMMC and treated for a single gunshot wound to his abdomen. Jeanette Owens (the cook) stated she was by the grill and idi not se or observe anything. George Owens stated he heard an echo of a shot, observed people running into the bar and toward the back of the bar knocking over/breaking glasses. A scene was located outside and one (1) projectile was recovered. During the follow-up investigation, Laws stated he was very drunk and couldn't be sure of what happened. Some details changed but his description of the core action of the shooting remained the same. When he and Hollimon arrived in the bar a party was going on. They had heard that many of the patrons were from out of town - possibly Green Bay. Laws believed the shooter had been in the bar earlier but could not be sure. The investigation is "Dormant." It will be re-opened if new leads area developed. ATTEMPTED HOMICIDE

5/20/2006 An anonymous female called stating Sabrina's has been serving minors - her daughter has come home drunk from there. Not an active complaint - information was sent for extra attention to the patrol sergeants. LIQUOR VIOLATION

2/23/2006 George D. Owens (09/24/73) called to report someone trespassing in his upstairs apartment. Owens stated he had had problems with people entering the apartment to smoke crack cocaine.
