Re: Three-Party Agreement with City of Racine, WisDOT, and Hardesty & Hanover LLC, Professional Services Agreement for State Project ID: 2290-10-02, Structural Rehabilitation, State Street Bridge Over Root River (B-51-0069)

We are submitting a three party agreement between the City of Racine, WisDOT, and Hardesty & Hanover LLC for the above project. This agreement is for consultant design services for the structural rehabilitation of the State Street Bridge over the Root River and associated work. The total amount of this agreement is \$1,241,240.58 with State's share \$930,930.43 and the City's share \$310,310.15.

Staff recommends that the Mayor and City Clerk be authorized and directed to enter into a professional services agreement with Hardesty & Hanover LLC and WisDOT. If the Committee agrees, the appropriate action would be to direct the Mayor and City Clerk to sign and enter into the agreement.

Fiscal Note: Funding for this project is a 75% cost share by WisDOT and 25% cost share by the City of Racine. Funding for the project is available in Org-Obj 45040 57540 State Street Lift Bridge Repairs.
