Public Works and Services Committee

FROM: John Rooney
Asst. Commissioner of Public Works/Engineering

RE: Gorman & Company Request for Agreement

This is in response to the request by Gorman & Company to enter into an agreement to relocate the traffic light and street light control systems at State Street and Main Street (Gaslight Drive).

The estimate to relocate the two systems is \$47,000.

If the Committee agrees, the recommendation would be to authorize the Mayor and City Clerk to enter into an agreement to reimburse the City all costs associated with the infrastructure relocation.
