Dear Mr. Tillis:

On Thursday, June 29, 2023, lump sum bids were received for the Johnson Park Lift Station Improvements, Project No. C-23 project. The attached Tabulation of Bids shows the lump sum bids received from all bids submitted.

Two bids were received for the project. The bids ranged from \$257,600.00 to \$318,000.00. The low bid was submitted by August Winter & Sons, Inc., Appleton, WI. Based on our experience and review, it is our opinion that August Winter & Sons, Inc. has the required equipment and expertise to perform the work as outlined in the contract specifications. We, therefore, recommend award of the project in the low bid amount of \$257,600.00.

SEH retains electronic copies of bids and bonds of all bidders. The bid and bond of the low bidder will be incorporated into the contract documents after all applicable documentation has been signed by the Contractor and Client and provided to SEH.

We hope this analysis of the bids is adequate for your needs. If you have any questions regarding this information, please contact me.

Sincerely,
