Assistant Commissioner of Public Works/City Engineer

Re: State/Municipal Agreement for State Project ID: 2703-11-00/20/70, Goold Street
– Douglas Avenue to North Main Street

We have received a State/Municipal Agreement for State Project ID: 2703-11-00/20/70, Goold Street – Douglas Avenue to North Main Street.

This Municipality agrees to the following 2017 – 2022 Program Cycle Urbanized Area STP-Urban project funding conditions:

- Project costs are funded with 80% federal funding up to a funding limit of \$1,763,200. The Municipality agrees to provide the remaining 20% and any funds in excess of the \$1,763,200 federal funding limit.
- Non-participating costs are 100% the responsibility of the Municipality. Any work performed by the municipality prior to federal authorization is not eligible for federal funding. The Municipality will be notified by the State that the project is authorized and available for charging.

The estimated total cost of the project is \$2,404,000, with the City's share being \$640,800 (20% + balance) and the State's share being \$1,763,200 (80%). Funding for the City's share is available in Org-Object 45040-57500-40003, Paving-State Project.

If the Committee agrees, the appropriate action would be to approve the SMA and authorize the City Engineer to sign and enter into the agreement.
