

**City of Racine Board of Health
July 10, 2012**

DEPARTMENT: Administration
PREPARED BY: Dottie-Kay Bowersox, MSA
MONTH: June 2012

Highlights

Date	Meeting	Purpose	Outcome
May 2011 through 2012	HD Budget	Develop Individual Budgets for Every HD Program / Service	Exceedingly time consuming endeavor that will enable HD Personnel to enhance their current facilitation of finances / programs and will be phased into the HD's organizational plan. All formats have been developed and approved by City finance.
July 2011 through 2012	Committee of the Whole	Presentation for Proposed Tobacco Ordinance	This item has not yet been rescheduled for further review / discussion by the Committee of the Whole.
November 2010 through December 2012	Animal Control	Provide an Overview to Date of Animal Control Efforts	Communication continues with the selected architects / real estate agent / property owners / collaborators in the evaluation of options.
April 2012 through 2012	Urban Chickens	Continue with City Ordinance recommendations	Several community members have contacted the HD to continue discussions on this issue.
January 2012 through 2012	Update / Revise HD Job Descriptions	Continuation of this Process	Research / review / update all HD positions. This is an ongoing project.
January 2011 through December 2012	Animal Licensing and Regulations	Discuss Opportunities as a County on the Reporting of Rabies Vaccinations	Develop a plan to process animal licenses and potential collaboration of rabies vaccination notification. In addition, revise the City of Racine's animal control ordinances. This is a complicated process.
March 2, 2012	City Maintenance	Discussing Cleaning / Products	Determine appropriateness of current cleaning schedules, products, and policies. New recommendations have been presented.

PROGRAMS: Wisconsin Well Woman Program of Racine County, Greater Racine County Mammogram Coalition (Susan G. Komen Grant), Racine County Breast and Cervical Health Fund (Scholarship Program)

PREPARED BY: Sarah Clemons, CHES, Public Health Educator II

Highlights

Date	Meeting	Purpose	Outcome
June 5, 2012	Greater Racine County Mammogram Coalition Partners' Meeting	To discuss the efforts of the Coalition partners	All partners provided an update regarding program goals. Each partner also had an opportunity to ask questions and present any concerns regarding the grant and the program goals. This meeting allows partners to share ideas and solve problems in a constructive way.
June 6, 2012	Wisconsin Survivorship Forum (Wisconsin Cancer Control Council)	To provide attendees with information about the efforts of the Greater Racine County Mammogram Coalition	This event was a day of learning about life after cancer for survivors and health care providers. This was an opportunity to showcase our Susan G. Komen grant and how fundraising for the Southeast Wisconsin Race for the Cure promotes breast cancer screening in Racine County.
June 26 & June 27, 2012	Greater Racine County Mammogram Coalition Mammogram Parties (June 26 th at Aurora and June 27 th at Wheaton Franciscan Health Care)	A party atmosphere to make mammograms less intimidating and to increase the likelihood of the women continuing to get a mammogram on a yearly basis	GRCMC partnered with Lite Rock 92.1 to recruit 17 women to receive a mammogram in June 2012. All of the women arrived to their appointment in style with a limo ride to the health care provider. Each woman could have a massage, a pink hair extension, pink ribbon tattoos and received a gift bag and flowers. This was a VERY positive experience.

PROGRAM: City Wellness Initiative
PREPARED BY: Debbie Herz-Mazius, RN

Highlights

Date	Meeting	Purpose	Outcome
June 12, 2012	RAMAC (Racine Area Manufacturing and Commerce) Wellness Round Table	Discuss best practices and managing wellness programs	28 participants representing local businesses, Racine Unified, City and County employers shared challenges and successes of their company's wellness program. This group will meet on a quarterly basis next discussing Stress Management Programs
June 15, 2012	Cholesterol Screen and follow up coaching at the City Library	Increase health awareness, set personal goals, and refer to healthcare provider as needed	40 participants from the Library and other City departments completed the screen and follow up. It was well received
June 29, 2012	Physical Activity Presentation: Stretch At the City Library	Prevent injuries, increase knowledge base, and demonstrate job specific exercises	25 employees participated in an exercise routine. The feedback was excellent. This was a valuable experience
