Re: Preliminary resolution for paving assessable streets.

Subject: Communication Sponsored by Alder Taft and Alder Jones, on behalf of the Commissioner of Public Works, submitting the following alleys to be included in the 2023 Public Hearing for 2024 Construction.

Staff Recommendation to the Public Works and Services Committee on 01-10-23: That the following alleys bounded by:

- Sixteenth Street and Seventeenth Street and West Boulevard and Deane Boulevard
- Sixteenth Street and Seventeenth Street and Deane Boulevard and Quincey Avenue

as submitted by the Commissioner of Public Works, be considered for the reconstruction with Portland Cement Concrete Paving for the 2024 Construction season (2023 Public Hearings) and that a preliminary resolution be introduced.

Fiscal Note: This is an assessable alley project and, therefore, all costs will be paid by the abutting property owners.

If the Committee agrees, the appropriate action would be to approve the preliminary resolution to start the assessable process of a Public Hearing for the alleys listed above.
