**MONTH:** *August 2014*

**Highlights**

| <b>Date</b>     | <b>Meeting</b>                    | <b>Purpose</b>                                | <b>Outcome</b>   |
|-----------------|-----------------------------------|---|--|
| August 14, 2014 | Lake Michigan Day                 | Attend conference                             | Inaugural conference targeted at providing statewide information on environmental stressors on Lake Michigan in Wisconsin, including impacts of climate change.  |
| August 22, 2014 | Village of Mount Pleasant         | Pike River Corridor Long Term Management Plan | Discuss long term plans for Pike River Corridor and watershed; as stakeholders we will serve in an advisory capacity.  |
| August 27, 2014 | Great Lake Restoration Initiative | Grant submittal                               | Prepared and submitted grant proposals with both UW-Oshkosh/BayLake Regional Planning Commission and the United States Geological Survey (USGS) for work to be done at Samuel Myers Park and North Beach, respectively. Notification should occur at the end of October. |
| August 28, 2014 | UW-Parkside                       | Fall convocation                              | Attended convocation at the invitation of the Chancellor as a member of the College of Natural and Health Sciences advisory board and key community partner.   |
| August 29, 2014 | Shedd Aquarium                    | Tour and meet with lab staff                  | The Shedd Aquarium is engaged in a Great Lakes preservation campaign, which is reflected in several of their exhibits. They invited the RHD laboratory staff to tour their Great Lakes exhibits, laboratory and water treatment area as part of an educational exchange. |
