Subject: Alleyway for the 900/1000 block of Arthur/Blaine

Helen,

I would like to begin a request for repaving the alleyway on the 900 and 100 block between Arthur and Blaine avenues (stretching from Kinzie on the north to Lindermann on the south). I have spoken with most of the residents on both blocks and the consensus opinion is that the alleyway should be repaved and that the residents are willing to pay for it.

Please refer this item to the appropriate committee.

Thank you.
