Re: State/Municipal Agreement for State Project ID: 2703-09-01/21/71 N. Main Street  
–Melvin Avenue to Goid Street

We have received a State/Municipal Agreement for State Project ID: 2703-09-01/71,  
North Main Street – Melvin Avenue to Goid Street.

This municipality agrees to the following 2020 – 2025 Program Cycle Urbanized Area  
STP. Urban project funding conditions:

- Project costs are funded with 80% federal funding up to a funding limit of \$2,212,500. The Municipality agrees to provide the remaining 20% and any funds in excess of the \$2,212,500.
- Non-participating costs are 100% the responsibility of the Municipality. Any work performed by the municipality prior to federal authorization is not eligible for federal funding. The Municipality will be notified by the State that the project is authorized and available for charging.

The estimated total cost of the project is \$2,857,850., with the City's share being \$645,350. (20% + balance) and the State's share being \$2,212,500. (80%). Funding for the City's share will be provided for in the 2021-2030 capital Improvement Program budget.

If the Committee agrees, the appropriate action would be to approve the SMA and authorize the Mayor and City Clerk to sign and enter into the agreement.
