**Comments:** Plan suggests adding language to Chapter 58 that the LPC work in both “advisory” and “regulatory”.

**Comments:** Plan suggests adding language to Chapter 58 that the LPC issue certificates of appropriateness for building permit request impacting landmark properties and properties within local/Racine designated historic districts.

**Comments:** Plan suggests adding language to Chapter 58 that the LPC issue certificates of appropriateness for razing/demolition permits for local landmarks and properties designated as contributing to historic districts. Could this prevent the razing of dilapidated or condemned structures such as the Park Theatre.
