RE: Amendment No. 2, Contract 40-06(K6-042), PS – Marino Park/State Street Storm Sewer
Earth Tech, consultant

We have received Amendment No. 2 on the above contract. This amendment is to perform a geotechnical investigation along the proposed sewer alignment and incorporate a Subsurface Conditions Report into the construction contract documents. The amendment is in the not-to-exceed amount of \$4,580 and funding is available in Account No. 104.986.5420, Stormwater Sewers – Various Locations.

If the Committee agrees, the appropriate action would be to accept the amendment and authorize the Mayor and City Clerk to enter into the agreement.

Cc: Joy Hansche
