Here's all the info and a flyer with information. The race begins and ends down at Kids Cove at 9am on Saturday September 15th. Participants use the bike path and head north behind the zoo and then use the parking lane that we block off with orange traffic cones for the duration of the race (about an hour). I drop off letters and information to the residents on Michigan Blvd letting them know about the race and kindly asking them to not park on the parking lane on the east side of Michigan Blvd the day of the race. They have always been very supportive and cooperative in the past. So there is no need to close off any streets. The race goes down the the end of Michigan Blvd and then circles back and ends right back at Kids Cove. We are all cleaned up at out of there by 11am.
