Re: Award of Funding for WDNR RBF-1585 Grant - ADA Lift Chair Improvements to the 5th
Street Boat Launch Pier

The City of Racine applied for and received the RBF-1585 Grant from the State of Wisconsin Department of Natural Resources for \$13,250.00. This grant is a 50% match for a joint project the Racine Harbor Commission and the Department of Park, Recreation and Cultural Services will undertake to provide an ADA chair lift and ADA modifications to the 5th Street Boat Launch Ramp.

If the Committee agrees, the appropriate action would be to accept the grant and authorize the City Engineer to sign the grant award and take the necessary steps to execute the project with the Racine Harbor Commission and the Department of Park, Recreation and Cultural Services.
