RE: Proposal for Construction Inspection of Sanitary Sewer Lining in Racine  
Street from 21<sup>st</sup> Street to Washington Avenue

We have received a proposal from Earth Tech, Inc., to perform construction inspection services for the sanitary sewer lining construction in Racine Street from 21<sup>st</sup> Street to Washington Avenue.

The proposal is in the not-to-exceed amount of \$17,293 and funding is available in Account No. 985.907.5310, Sanitary Sewer Construction, Various Locations.

If the Committee agrees, the appropriate action would be to accept the proposal and authorize the Mayor and City Clerk to sign the agreement.
