Attn: Jeff Latus

Dear Racine County Board,

I am writing to ask for your continued support in providing affordable housing for low-income, working families in Racine. Will you consider donating the following properties to Racine Habitat for Humanity?

812 Hamilton St.
1101 Hamilton St.

Different from previous requests, Racine Habitat proposes these properties be donated with financial consideration. For 812 Hamilton St, Racine Habitat would pay \$3,500.00 and for 1101 Hamilton St \$3,350.00.

If received, Racine Habitat would build a home on each lot and then sell them to our approved partner families at an affordable price. In doing this, you will not only help to revitalize neighborhoods with new, safe and affordable homes, but will also strengthen the lives of families in Racine with newfound economic stability and self-reliance through shelter.

We are extremely grateful for your continued partnership, and look forward to working together to help keep the cost of homeownership affordable.

With Gratitude,

Rex Hamilton
Director of Development & Communication
