Subject: P & T Committee Agenda

Nancy,

Can I get this put on the P & T agenda for January.

Parking and Transit Committee:

I would like to appear before your committee to discuss waiving formal bidding and instructing the Purchasing Agent to negotiate with Trapeze ITS U.S.A., LLC for the provision of four (4) OnStreet signs and licenses with associated installation labor of the purchased equipment. These signs will be installed at the Corinne Reid-Owens Transit Center.
