Re: Municipal Code - Sec. 10-99. Animal Feces. (Ord. No. 2-05, pt. 1, 3-15-05)
subsection (c)

Greetings Mayor and Common Council Members:

We are contacting you in regards to the above Municipal Code Sec. 10-99. Animal Feces.
(Ord. No. 2-05, pt. 1, 3-15-05) subsection (c).

We request that subsection (c) of this Municipal Code Sec. 10-99. Animal Feces be
removed.

We do, however, suggest if a subsection (c) is warranted it should read as follows: An
owner or possessor of property on which a domesticated animal is kept as a pet contained
within a bound area outdoors, have a designated area in which to defecate. This area
shall be away from adjoining properties entrances and exits. The accumulated feces is to
be removed and polluted area cleaned by the end of each day. If your pet is not contained
outdoors you are to abide by subsections (a) and (b).

The time frame of the existing Municipal Code - Sec. 10-99. Animal Feces.
(Ord. No. 2-05, pt. 1, 3-15-05) subsection (c) is incomprehensible, unhealthy and plain
nasty for a city ordinance.

Therefore, we employ you to take immediate action on this seemingly inconsequential
subsection of Municipal Code - Sec. 10-99. Animal Feces. (Ord. No. 2-05, pt. 1, 3-15-05)
subsection (c) This subsection is an infringement on neighborhoods ability to stay clean,
healthy and profitable.

Please reference us in regards to our request. Contact information: (262)634-1435,

Respectfully,

Dewey & Tresa Johnson
