

4/28/10

Dear Mayor Dickert and Members of the Common
Counsel,

I am requesting use of the Tyler-Domer Community Center on Saturday June 26, 2010 for a benefit to assist Shonda Hattix. Three years ago Shonda was diagnosed and treated for Breast Cancer at the age of 34. She has recently been diagnosed with Leukemia and is undergoing chemotherapy at this time. Due to limited medical benefits and high medical bills this benefit will help support Shonda financially during her treatment and recovery. I am requesting the fees for the Tyler-Domer Community Center be waived so that all proceeds for the benefit can go to help support Shonda.

Thank you for your consideration in this matter and I look forward to hearing from you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Mary Williams".
