Dear Mr. Rooney:

Congratulations! On behalf of the Governor, we are pleased to forward to you a grant agreement for financial assistance for the following project: *Uptown Green Infrastructure*.

This grant, and any reimbursements made under it, is governed by specific statute and administrative code provisions. Accordingly, please read the grant documents thoroughly, paying particular attention to the Scope and Conditions sections for eligibility, grantee requirements and reimbursement provisions. There are also several activities where you must obtain prior departmental review and authorization before proceeding.

You are obligated to submit a final report, using the Department's BMP Implementation Tracking System (BITS), prior to submitting your final reimbursement request for the projects completed under this grant; before and after photographs are a required component for construction projects.

A grant administration video tutorial will be available on the DNR website in December, which includes information about seeking reimbursement from DNR, amending your grant, submitting the final report, etc. The tutorial will be available on the Resources tab at <https://dnr.wisconsin.gov/aid/UrbanNonpoint.html>. All grantees must view the tutorial prior to submitting the first reimbursement request for their grant.

To accept this grant, please review the agreement and email a scanned copy signed by the authorized government official, along with the completed *Grantee Contact Page*, and evidence that your community has committed the necessary funding for the local share, to DNRCFANONPOINTGRANTS@wisconsin.gov.

Please review this grant thoroughly and if you have any questions, contact your Regional Nonpoint Source Coordinator, Jesse Bennett, at (414) 458-0448. Thank you for your continued cooperation with Wisconsin's Runoff Management Grant Programs.

Sincerely,

For Jim Ritchie, Director
Bureau of Community Financial Assistance
