

The Racine Civic Centre Commission met April 26, 5:30pm, 2006 at Festival Hall.

The Commission was presented with a (Direct Referral) Communication from Lakefront Beverage Consultants requesting for a contract extension and the City of Racine wave the 180-day notification clause.

The Civic Centre Commission recommended that the item be denied and recommended that the alcohol beverage contract with Takerian-Lucarelli, Inc., dba Lakefront Beverage Consultants, not be extended due to untimeliness of its request and recommends that the City's operating agreement with Compass of Racine, LLC, be amended to authorize Compass to provide alcohol services for the Civic Centre for a period of one year under terms and conditions to be negotiated; and further recommends that this item be referred to License and Welfare and to the Finance and Personnel Committees.
