I'm writing this email in regards to the Public Safety and Licensing Committee of the City of Racine meeting at 5:00pm, on Wednesday, May 14th. I received a letter that I need to attend this meeting on the above date but I will be out of town May 9th and returning May 19th. My kids and I are going on a cruise. I am going to send Denise Henes, my manager for Kayla's Neighborhood Bar LLC, just in case. I'm also sending a few documents just showing when the cruise was booked, when we're leaving and the price they will charge if we cancel. I'm also sending a copy of the bartender Karina's bartender's license. Thank you for taking the time and reading this letter.

Thank you,
Kayla Dibble
