Re: Preliminary Resolution for Paving Assessable Alleys.

Subject: Communication sponsored by Alder Maack, on behalf of the Commissioner of Public Works, submitting the following alley to be included in the 2026 Public Hearing for 2027 Construction.

Alder Recommendation to the Public Works and Services Committee on 02-10-26: That the following alley bounded by:

- Walton/Layard//Charles/Geneva (N-S) – Jorgensen / PASER – 3

as submitted by the Commissioner of Public Works, be considered for the reconstruction with Portland Cement Concrete Paving and that a preliminary resolution be introduced.

Fiscal Note: This is an assessable alley project and, therefore, all costs will be paid by the abutting property owners.

If the Committee agrees, the appropriate action would be to approve the preliminary resolution to start the assessable process of a Public Hearing for the alleys listed above.
