To: Alderman Mollie Jones, Chair
Public Works and Services Committee

From: Ara P. Molitor
City Engineer

Re: Professional Services Agreement – AECOM Technical Services, Inc.

We are submitting on behalf of Commissioner of Public Works a professional services agreement with AECOM for 2022 Pavement Inspection and Planning services. This agreement would allow AECOM to perform services as directed by the Department of Public Works for the purpose of evaluating the roadway pavement system, and provide recommendations for pavement maintenance, and reconstruction projects. AECOM has been performing this service since 1990. They maintain many of the databases that allow the city to program maintenance and reconstruction projects.

Staff recommends that the Mayor and City Clerk be authorized and directed to enter into a professional services agreement with AECOM in the not to exceed amount of \$91,750.00.

Funding to defray the cost of this agreement is available in Org. Obj. 45040 57110 – Pavement Management Services.

If the Committee agrees, the appropriate action would be to direct the Mayor and Clerk to sign and enter into the agreement.
