Q. A. Shakoor II
1516 W. 6th Street
Racine, WI 53404

Alderman Shakoor,

Thank you for your followup phone calls.

I am requesting a change in the parking regulations from our office building to the stop sign at N. Memorial Dr. on Yout St.

The change would not affect safety, and would allow the two home owners to park in front of their homes and further allow persons coming to our business to park in front of our office, without the need to park elsewhere.

We are not complaining about the neighbors, they and ourselves would benefit from revising the current situation and as I stated above it would still provide a safe environment.

Sincerely, Edward Hunt
