RE: Request to encroach into Right of Way (ROW) with store signage at 401 6th Street, Racine, WI

To Whom It May Concern,

Please consider this our formal request for the above-mentioned subject. This is a relocation of our sign from 210 Third Street to our new address at 401 6th Street. The signage will not change dimensionally. We have already received approval from the Downtown Design Review Board. Please contact Donald Heckel with any questions/concerns at 262-634-0484.

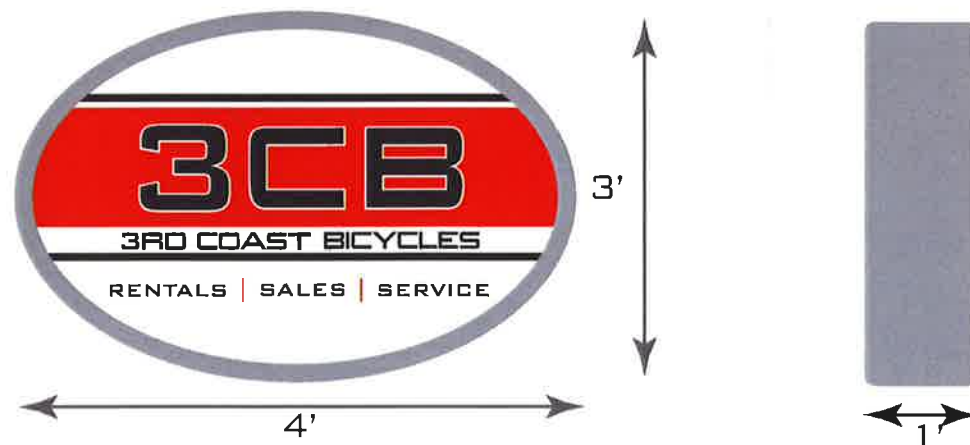

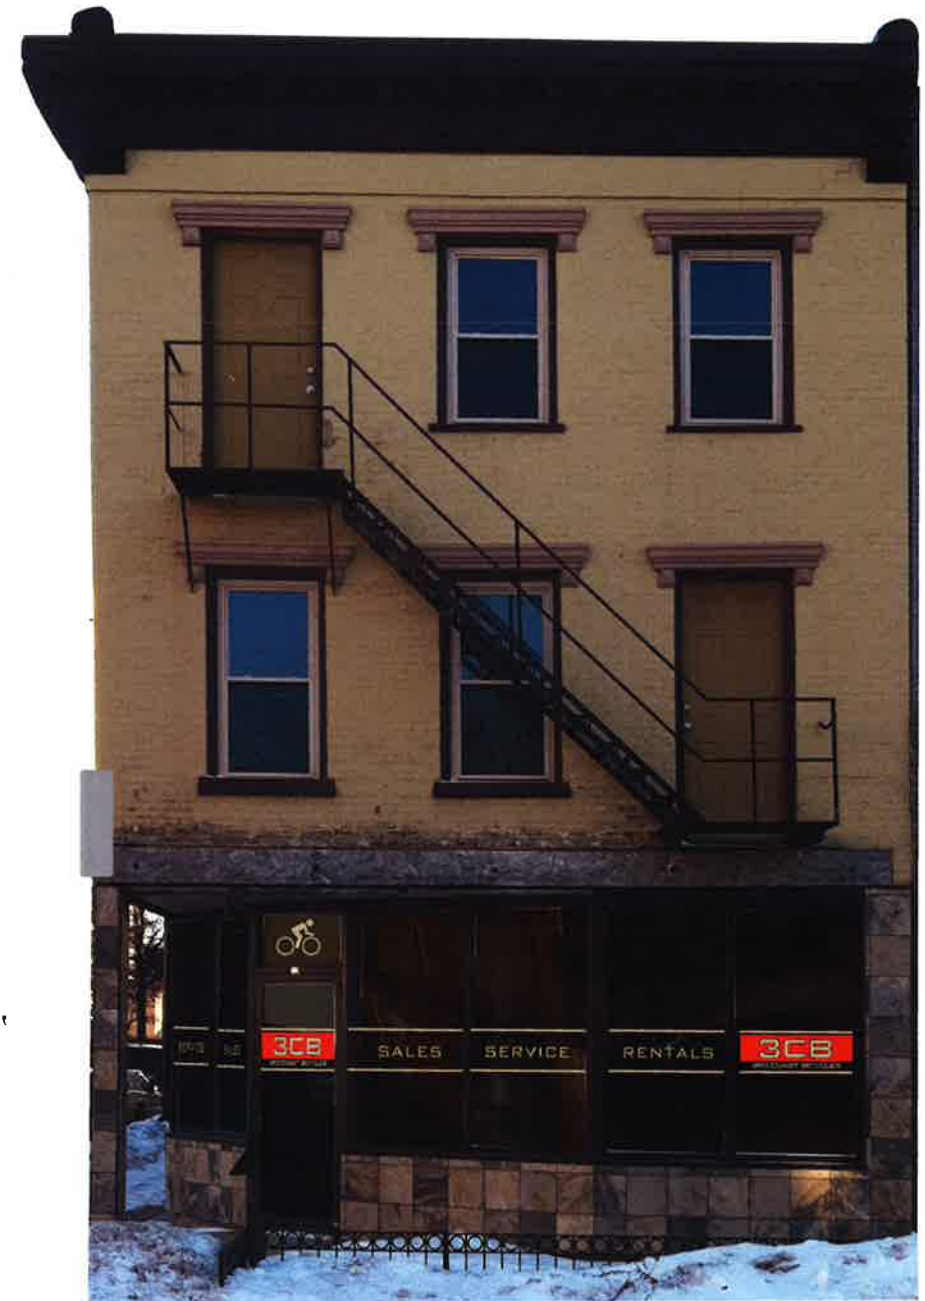

Respectfully,

Donald P. Heckel
