To: Finance and Personnel Committee

The City of Racine Complete Count Committee was established and approved by the City of Racine Council March 18, 2009, **File #: Res. 09-1288**.

The Complete Count Committee requested to host an overnight stay on Monument Square on January 22, 2010, 6:00pm until the next day January 23rd concluding at 8:00am. Our main purpose is to draw attention to the 2010 Census efforts here in Racine. Our request to utilize Monument Square was approved through the Public Safety and Licensing Committee on December 21, 2009, **File #:09-4552**.

Our request before the Finance and Personnel Committee is to have cost associated with the use of Monument Square waved, etc.

I wish to thank you on behalf of the Complete Count Committee in advance for your consideration and approval of this request.
