RE: Waiving of Formal Bidding for the Purchase of Cree LED Light Fixtures

Dear Ald. Weidner:

I am requesting that formal bidding procedures be waived for the purchase of replacement LED light fixtures for the City in 2013.

The City has already installed Cree LED lighting products in street lights areas, parking facilities and many of our facilities and we have been very satisfied with their products. The intent to stay with Cree is to match the LED fixtures that have already been installed in various facilities for the purpose of inventory management and providing comparable fixtures throughout all the facilities.

Since there are more LED lights scheduled to be installed in parking facilities and building facilities in 2013, I would request that the Purchasing Agent be authorized and directed to negotiate with Cree Lighting, Racine, WI for the purchase of all LED lights needed through the end of 2013.

Very Truly Yours,

A handwritten signature in blue ink that reads 'Thomas M. Eeg'.

Thomas M. Eeg, P.E.
Assistant Commissioner of Public Works
