

PROFESSIONAL SERVICES AGREEMENT

AMENDMENT NUMBER 1 DATED

Project Name: 2009 Information Technology Consulting Services Contract 30-09(K9-031)

AECOM Project No.: 112467

This Amendment to the Professional Services Agreement dated January 23, 2009 is by and between:

Client:

City of Racine
730 Washington Avenue
Racine WI 53403

and,

AECOM Technical Services, Inc. (ATS)
1020 N. Broadway, Suite 400
Milwaukee, WI 53202

Who agree as follows:

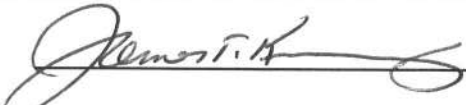

Amend the original contract amount by \$25,000, to accommodate the continuation of on-call services associated with the 2009 Information Technology Consulting Services (City of Racine contract #30-09(K9-031)). The revised total project not-to-exceed fee is \$40,000.

In all other respects, the Agreement remains the same.

THIS AMENDMENT SHALL BE DEEMED APPROVED IF NOT OBJECTED TO WITHIN 15 DAYS OF ITS DATE.

APPENDIX C**Amendment Scope
2009 Information Technology Consulting Services
September 21, 2009*****Scope of Services***

This amendment includes on-call services addition to the services described in Appendix B of the original 2009 Information Technology Consulting Services contract. Examples of Tasks that will be accomplished under this amendment include:

- Sewer Atlas preparation and printing activities.
- Compilation and upload of Racine County GIS Right-of-way line, polygon, annotation layers to the City's ArcSDE.
- Query ROW layers against INFRA/PAVE pavement layers for gap/ overlap analysis.
- Query of sewer and parcel layers to identify parcels without recorded sewer easements.
- GIS coordination and assistance as requested for Cityworks integration.
- GIS assistance as requested for RouteSmart.

Project Schedule

Project work, mileposts, and deliveries will be scheduled at the time of Task definition.

Project Fee

Services defined under the scope above will be provided on a time and material basis not-to-exceed twenty-five thousand dollars (\$25,000.00).

Client Responsibility

Mr. Rick Jones will be the City's designated representative for the project. He will have the authority to transmit instructions, receive information, and make decisions with respect to the services proposed.

ATS and their authorized technicians will be required to abide by any City of Racine Computer and Software Policies which exist or may become active during the life of this project. ATS shall coordinate any installation, configuration, or access to City of Racine Hardware, Network, or Software systems in advance with the City of Racine IS Department and follow City IS prescribed standards for access. ATS shall provide technical documentation to any systems developed or installed on any City of Racine equipment.

THIS AMENDMENT SHALL BE DEEMED APPROVED IF NOT OBJECTED TO WITHIN 15 DAYS OF ITS DATE.
