The Closeout Change Order was previously approved by the Water Utility Commission on December 15, 2020. This Change Order served to adjust the final Contract Price to reflect the actual completed Work.

2. Consent of Surety to Final Payment.

4. Satisfactory evidence of release of all liens and claims.
5. List of Subcontractors, Suppliers, and service providers performing, furnishing, or procuring labor, services and materials on the Project.

In addition to the documents referenced in paragraph 15.06 of the General Conditions and Section 01 78 39 of the Contract Documents we have asked the Contractor to submit weekly certified payrolls utilizing WisDOT's Civil Rights Compliance System (CRCS) in accordance with the Wisconsin Inclusion Plan requirements as well as submit labor/payroll data to the City of Racine Purchasing Agent for evaluation of compliance with the Racine Works Program included in the Contract Documents.

We have notified the Contractor that prior to the Racine Water Utility issuing the final payment that the weekly certified payrolls will need to be submitted to the WisDOT's CRCS and that labor/payroll data be evaluated for compliance with the Racine Works Program.

If all are of the above has been completed satisfactorily, we recommend final payment, and give notice (enclosed), that the completed Work is acceptable subject to the provisions of General Conditions paragraph 15.07.
