

I would like to request a street closure  
on June 7, 2008 for my wedding reception.  
That street would be 17<sup>th</sup> St between Racine & Moor  
St. The wedding reception is at 7pm.

I'd like it till about 10:30pm-11:00pm.

We will be picking up any garbage left around  
if any. My mom owns the lot on 17<sup>th</sup> & Racine  
and the house 1122-17<sup>th</sup> St. also. There we will be  
setting up for the wedding reception.

I would really appreciate it if I was given  
permission, due to the fact that I won't be  
able to find a hall in such short notice.

Thank You.
