Dear Sirs,

I am inquiring about the property located at 504 Hawthorne Dr. I note that the property is zoned R-2 single family. I am interested in purchasing the property. I was the builder for the two houses across the street completed in 2005. My parents live in the corner house, 3223 Hawthorne Dr. I am familiar with the problems that come with this land, buried footings and foundation and bridge pilings. There will be expensive areas to deal with in building on this land. I am willing to offer you \$30,000.00 for this property. My intentions would be to build on this land. I would like to purchase the land and close in approximately this summer, depending on the process needed by the city.

I am available to discuss this at anytime. Please contact me at (262)930-6370 with any questions.

Respectfully Yours,

A handwritten signature in black ink, appearing to be "Ed Possing".
