Subject: Communication

10-5785

Communication from the Alderman of the Second District requesting a traffic signal at the intersection of 11th & South Main Street or if not granted, moving the existing No Parking sign on the east side of Main Street further south (enlarging the No Parking area.) This intersection is especially dangerous for vehicles traveling west on 11th Street and turning south onto South Main Street.

Thank you for your consideration.

Best regards,
Eric
