RE: Three-Party Design Engineering Services for Ohio St, Clark Dietz, Inc., consultant

We have received a three-party agreement from Clark Dietz, Inc., between the consultant, the City and Wisconsin DOT for reconstructing Ohio Street from Durand Avenue (STH 11) to Twenty-first Street, State Project ID: 2704-05-00.

The proposal is in the not-to-exceed amount of \$184,683.25, with the City's share being \$36,936.65 or 20% and funding is available in 988.908.5060, Ohio Street – 21st Street to Durand Avenue.

If the Committee agrees, appropriate action would be to approve the agreement and authorize the Mayor and City Clerk to enter into the agreement.
