Commissioner of Public Works

Re: Amendment No. 2 to Contract 20170014, PS – 2017 Pavement Inspection and Planning,
AECOM, Consultant

We are submitting Amendment No. 2 on the above contract. Amendment No. 2's project limits consists of the blocks on Twenty-First Street from Racine Street to Grand Avenue and the block of Howe Street from Twenty-First Street to Twentieth Street. The purpose of this amendment is to develop the bidding documents for City of Racine Contract 20180075 – 21st Street Roadway Repairs and to provide construction management services during the construction.

The agreement was approved under Resolution 0067-17, dated February 22, 2017 in the not-to-exceed cost of \$81,500.00. Amendment No. 1 was in the not-to-exceed amount of \$25,150.00, bringing the total amount of the contract to \$106,650.00. Amendment No. 2 is in the not-to-exceed amount of \$5,850.00 bringing the total contract amount of \$112,500.00.

Funding to defray the cost of the amendment is available in Org-Object 45040-57500, Paving.

If the Committee agrees, appropriate action would be to approve the amendment and authorize the Mayor and City Clerk to enter into the agreement.
