Alderman Maack informed committee he had a few concerns that maybe the police department should keep an eye on. The concerns involved The Place on Sixth, 509 6th St. with the incident reported on 1-7-11 ("younger than normal crowd") and if there is a special event according to the Good Neighbor Policy he signed, he should be notifying the police department 48 hours in advance to the "special event". The incident on 1-8-11 being a large crowd of 50-75 patrons. The capacity limit should be checked to make sure they are not in violation.

Alderman Mozol questioned whether or not the camera located at Water and Park could be relocated to 7th and Park.
