Re: Amendment to Chapter 94 of the Municipal Code.

On behalf of Chairperson Alder Jones, DPW Staff recommends the proposed amendment to the City of Racine Municipal Code Chapter 94 Article II – Specific Street Regulations. More specifically Division 4 – One Way Streets, Section 94-81 – One Way Streets, Schedule E. Staff recommendation is to DELETE the following item:

- Wisconsin Avenue, between Second Street and 16th Street, southbound.

This request is in conjunction with the Two Way Conversion of Wisconsin Avenue Construction Project, awarded to Pro Electric Inc. in the fall of 2021.

There is no fiscal obligation for the City to amend the Municipal Code.

If the Committee agrees, the appropriate action would be to approve the amendment to the Municipal Code as described.
