Ald. Sandy Weidner  
Chairwoman, Public Works  
and Services Committee  
Racine, Wisconsin

Dear Ald. Weidner:

Submitted for your review and approval is a professional services proposal from ARC Architectural Group for the design of a new concrete slab to accommodate the Arrow Model MCX1112 Facility. The design includes providing the concrete base at this site, a backup generator and to provide adequate conduit runs to accommodate electric service as well as antennas being fed from this facility.

I would recommend that the City enter into an agreement with ARC Architectural Group in the not-to-exceed amount of \$2,280.00. Funding for this professional services agreement is available in Account 991.300.5020, Fire-Radio Upgrades.

Sincerely,

Thomas M. Eeg  
Asst. Comm. of Public Works/Operations
