

Joey's has about 3 to 4 parking spots in front of his business 15 or so in total shared with other business next door to him.

Teezers has about 20 to 25 which are shared with tenants living up stairs and pjs carpet

~~Bucket's~~ also does not have legally the parking spots what the costumer use the parking lot is common parking I spoke with owners and was told that were 200 parking spacing was and can be available to anyone (Businesses in that parking lot area

also after speaking with businesses in that area they informed me that someone from Buckets told them that ~~the~~ club status will be a strip club I want the real reason I was denied at common counsel meeting.

I would like to withdraw
my application for liquor
license at address 2011 Lathrop
ave until the next opening
date so need to do more research
on the things that have been
stated as a problem which
were "parking" and "smoking" areas.
also my attorney advised me
to do so at this time.

Thank you again
